Foster parents change the world one child at a time, and Okeechobee and the Treasure Coast is home to more than 100 of these heroes. But we need more!

Please join our campaign and help us recruit and license *25 foster homes by December 25* – that’s the number of homes we need to start moving children out of group care and bring home those living outside of the community due to a shortage of foster homes.

**Devereux Community Based Care
of Okeechobee and the Treasure Coast**

Did you know?

153 local children live in group homes

140 children live in foster homes

64 children live out of the four-county area

These kids need to know someone out there is fighting for them—Mike, foster parent
