

NEXGEN BAND

FOSTERING SUCCESS TOUR

FLORIDA 2015

NEX  **GEN**

NexGen Mission Statement

In this band, we believe that we have a responsibility to be a voice for our community of foster care and adoption. We strive to break down the stereotypes and misconceptions surrounding the community. Through the music we make we aspire to raise awareness, promote quality foster parents, and support all those involved in the foster care and adoption community.

Tour

Through this tour we hope achieve our goals, including reaching new people to inspire to become foster parents. We are thankful for our partnership with the Department of Children and Families (DCF) and the Quality Parenting Initiative (QPI) as we share the same vision of a better future for the children in the system.

Technical Rider & Stage Setup

First of all, thank you for your interest in having NexGen. Below is a list of our technical requirements. This rider was designed for optimal effectiveness on the day of the performance. If there are any questions, please do not hesitate to contact.

Our Stage Setup

3 Vocals
1 Electric Guitar
1 Bass Guitar
1 Drum set

We assume that there is an appropriate sized PA system for the venue, and at least monitors for the vocalists and keyboardists as well as access to power outlets from the stage.

Necessary Equipment

Vocals – (3) Vocal Microphones w/ stands (1 should be a boom stand)

Drums – (7) Drum microphones w/stands (4 clip mics/2 condenser mics/1 bass drum mic)

Electric Guitar – (1) microphone w/stand for amplifier

Bass Guitar - (1) microphone w/stand for amplifier and DI Box (backup)

Keyboard – (1) DI Box

Sound – 16 Channel Mixer & Snake
